

BLOOMING TORONTO

Flowers Bloom Map Companion Garden

Meanings Seasons Colours Use/Purpose Difficulty

Double Tulip

Symbolism:

- In Europe: perfect love and elegance
- In modern gardens: renewal and the arrival of spring

Season: Blooms in spring

Pet Safety: Toxic to cats and dogs. Can cause drooling, vomiting, and gastrointestinal irritation if ingested.

Scent: Very mild floral scent

Colour Palette: pink, orange, yellow, and multicoloured varieties.

Growing Tips: Plant in full sun with well-drained soil. Avoid overwatering bulbs.
